

FACT SHEET

Location	Located at the top of a hill immediately after the Botanical Garden, Choupana Hills Resort & Spa is a haven of luxury in a natural environment. It is home to more than 200 different species of flora, spread over 17 hectares of land. Transfer time from the centre of Funchal is 15 minutes by car and the international airport is located about 30 minutes away. Choupana Hills is the ideal place to experience a combination of luxury and unique tranquillity and relaxation.
Architecture and design	Designed by the French architect Michel de Camaret and the architect/interior decorator Didier Lefort. The latter designed and decorated the famous Le Méridien Bora Bora and Datai in Malaysia. The hotel features wood and stone as main building materials, interlined with African and Asian influences.
Accommodation	<p>Scattered in bungalows built on wooden pillars, the 62 rooms and suites are furnished in an Asian-inspired, contemporary design, featuring warm and relaxing colours. All rooms and suites offer private balconies, inviting clients to enjoy the year-round mild, sub-tropical climate prevailing on the island of Madeira.</p> <p><i>Deluxe Sea/Bay View Rooms – 34 units</i> With a dazzling view over the Atlantic Ocean and the bay of Funchal, all Deluxe Sea Bay View Rooms feature 40 m² of space facing downhill, as well as a relaxing wooden balcony of 27 m². Facilities: TV, radio, DVD player, mini-bar, safe, Nespresso coffee machine, tea facilities and internet access. Bathroom with separate WC, hair dryer.</p> <p><i>Deluxe Garden View Rooms - 20 units</i> Same layout as the Deluxe Sea/Bay View, only with a different view. Despite the fact that all rooms were built facing Funchal, this category has limited views of the Sea, due to tropical foliage. Facilities: TV, radio, DVD player, mini-bar, safe, Nespresso coffee machine, tea facilities and internet access. Bathroom with separate WC, hair dryer.</p> <p><i>Suites – 4 units</i> Each located in its own Bungalow, the suites offer a total of 50 m², with separate living and sleeping areas. A wrap around balcony of 31 m² features a private, heated outdoor Jacuzzi. Facilities: TV, radio, DVD player, HI-FI system, mini-bar, safe, Nespresso coffee machine, tea facilities and internet access. Bathroom with separate WC, hair dryer.</p> <p><i>Family Bungalow – 2 units</i> Ideal for families, this category combines two deluxe rooms connected with a communicating door. Facilities as Deluxe Rooms in both rooms.</p>
